

# SUMMER READING 2010

**RACHEL  
CORSORO -  
THIRD  
WINNER OF  
THE 2010  
BAREFOOT  
BOOKWORM  
BOOKMARK  
CONTEST!**

Congratulations to Rachel Corsoro in Ms. Green's 3rd grade class on winning the 2010 Barefoot Bookworm Bookmark Contest! Awesome work, Rachel!

Great work to everyone who entered a bookmark - we have some very talented and creative students!

The Stone Ridge PTO wants to invite all students in Pre-K through Fourth grade (2010-2011) to join in our summer reading program by being a Barefoot Bookworm. It's a fun and easy way to keep our kids reading over the summer!

On the back of this information sheet is a blank list to use during the summer. This form is also available on the Stone Ridge PTO Website at [www.stoneridgepto.org](http://www.stoneridgepto.org). Each time your child finishes a book, write it down with the other indicated information. Students who are not yet reading can participate by having books read to them. We encourage older children to read a total of 1,000 pages over the summer and younger students should aim for one book a week, for a total of 12 books by summer's end. If the list fills up, HOORAY! You don't need to keep adding to your list, but keep on reading. A list of 12 books or 1,000 pages will do the trick. We're hoping to see a lot of completed lists turned in when we resume classes next August. Every student who turns in a completed list will be invited to the **Barefoot Bookworm Ice Cream Party** in September. Should you have any questions about the program, please contact Sarah Mobley at 413-2990.

Don't forget the Piedmont Public Library summer reading program too! Book lists will be assigned and kept in a special file at the library. Each time a young reader enters the library, they may update their list with all of the books they have read since their last visit. For more details, please call the Piedmont Public Library at 373-9018. There's a busy summer of reading ahead. Please enjoy it and be sure to spend some time in the cool...of the library!
