

Stone Ridge Elementary

End of the School year 2007-2008

This was an exciting last month at Stone Ridge Elementary. We had many activities to celebrate the year we experienced. Some of the highlights were as follows:

- ◆ Fifth Grade Dance provided by fifth grade parents.
- ◆ Talent Show for Stone Ridge Elementary. Everyone had a fun time cheering each other to success.
- ◆ Teacher Appreciation Week: Thank you to each parent that said thank you and showed appreciation for the teachers and staff that make each day a learning experience for your child.
- ◆ Literacy Night: Our first ever evening of parents rotating through reading centers. Every parent that came commented on the information they learned and wished we held it earlier...Next year we will!
- ◆ Our last El Chico Night of the year. This money has added readers and supplies to our school to make sure that every student is learning with materials which meet individual needs.
- ◆ Track and Field Day for our 3 through 5th graders at the High School. This event allows every student to participate in track events. PTO, Parent Volunteers and Middle School students help to make this a success. Thank you for all the support.
- ◆ Super Kids Day for our Pre K through 2nd graders. This day is a fun filled day of activities for our students supported by our active parents.

Last Wildcat Wakeup with Ty England singing to Mrs. Smith Thank you TY!

Awards

Stone Ridge encourages each student 1st grade through 5th grade to receive the State Reading Certificate through our Oklahoma State Department of Education. We had over 99% receiving this certificate.

See The Piedmont Gazette for Classroom awards.

One of our students received an award after the closing of school on May 23. Parker Strubhar will be receiving a State Award with High Honors for his testing results through John Hopkins University supported by the Center for Talented Youth. Parker participated in the 2008 CTY Talent Search and has received recognition through his test results. We send you proudly to Piedmont Middle School.

Stone Ridge Elementary

Looking forward to 2008-2009 school year

May 30, 2008
