Margaret Dale reporting. Parking continues to be an issue. Please slow down in the parking lot and DO NOT let your kids walk to your car after school. The parking lot is too dangerous. You must park your car and walk up to the entrance to pick up your child. Please do not double park to walk your child in to school. Considering have the OKC Police Department help with coordination.

We are adding a diagnostic assessment to help us have a better tool for assessing the specific reading need of each child from K through 3<sup>rd</sup> grade. We have identified the Developmental Reading Assessment (DRA) which was approved by Reading Sufficiency Act to determine who qualifies for our Reading Sufficiency program.

Kindergarten used the month of December for a time of observing each other in their classrooms. These observations were based upon our professional learning communities which we established last year as one way to evaluate our progress and determine our objectives for growth.

Principal for a day is Xaley Yousey. This will take place on February 14<sup>th</sup>. She is going to make a mandate that third grade students can sit anywhere they want in the cafeteria for lunch on that day.

Regional spelling bee will be at Stone Ridge Elementary on February 7<sup>th</sup> at 7pm.

PeeWee Spelling bee was held on January 30<sup>th</sup>. The champion of the spelling bee was Barrett Stout. Her runner up was Payton Strubhar.

El Chico night is on February 8<sup>th</sup>. The money will support professional development for our teachers. El Chico night has been very valuable to us in the meeting school-wide goals. We are thankful to have a community partner helping us meet our goals.

We are cheering the PTO to success with the Silent Auction. Thank you for your support and all the hard work you do to keep our school a vital part of our community.
