DIRECTORY HELP NEEDED FOR 2009-2010

We need a volunteer to head up our directory for 2009-2010. For more information on what this position involves please contact Robin Rose at robinrose@maximconsulting.net. We are also looking for a volunteer to co-chair a position in conjunction with Piedmont Elementary. This individual will need to solicit ADS from the community to put in next years school directory.

Personal note from President: I have been grateful to be a part of our program as we have come into our own these past 2 years. I have been proud to be your President through this process. I have expressed the importance of a new President taking on this role in the last year. It is imperative for someone to step up and learn this position now. If you feel this is a position that you would like to consider please feel free to contact me for more information. Nominations will be taken at the April meeting.

Sincerely,
Robin Rose.

We want to say thank you to our working parents who give their part to our program. Whether it be financially or your volunteer efforts.

We recognize your time is so much more limited and appreciate all you do.
