

BAREFOOT BOOK WORMS

THIS IS OUR SUMMER READING PROGRAM. The Coordinator of this event will be sending out a separate newsletter with detailed information home in your child's backpack before school adjourns for the summer. There will be a party at the beginning of next year to celebrate the success of those who complete the program. We will be working in conjunction with the Piedmont Public Library to celebrate the Centennial.

2009-2010 Carnival

The carnival and teacher basket auction is set for Friday, October 2nd. Put it in your calendars now for one of the most fun filled and profitable days of our school year.

Volunteer's NEEDED—We still need volunteers to help with set-up in our Teacher Basket Auction, a Christmas Store co-chair, and a Piedmont Poet Coordinator. Please email Robin Rose robin-rose@maximconsulting.net if you are interested.

Please look at the website (stoneridgepto.org) the week before school to check in for dates of upcoming events.

Our Pet Project for 2009-2010 is to purchase a playground system for the east side playground. Your support for our fall fundraiser and carnival is what will help pay for this project. We anticipate that this might take one to two years to purchase. Our teachers are so excited to have more items for the children to play on!!!

HAVE A GREAT SUMMER BREAK!!

We will be using Geckler Fundraising Company for the first time in the fall. They have a variety of products to sell, including collectibles, Christmas items, and many other various products. They also have cookie dough which we will sell because with many people this is a best seller and it is a profitable item for our school. This dough tastes great!!! Our coordinators got a taste when signing on with this company.

Things to continue saving over the Summer.

Cambell's Soup Labels—continue saving these. Everyone did a wonderful job this year collecting soup labels. We smashed our goal of 7,000 points. As of the end of April you have turned in 9,181 labels. Combining those points with a few left over from last year and some bonus point programs Mr. Hatchett has 11,081 points to spend this year. Please continue to save labels over the summer and sent with your child in August. **Our 2009-2010 school year goal is 10,000 points! Let's see if we can smash that goal also!**

Nestle Pure Life Water Labels—continue saving these water labels. They do not expire and can be turned in at the beginning of next school year. All of the points we earn benefit our PE dept. He will be getting the following: 1 mesh equipment bag, 2 soccer balls, 14 nylon pinnies, 2 digital stop watches, 1 horseshoe set, & 5 10 " playground balls.

Box Tops—Don't forget to save your Box Tops over the Summer! Box Tops for Education is a great program that gives us cash for clipping Box Tops. We earned over \$3,000 this year. Let's earn even more next year! Check out boxtops4education.com for more ways to earn cash for our school.

Christmas Store—We would love if the parents could save handled sacks such as Braum's bags over the summer for use at the Christmas Store. And if you want to mention if anyone that has items to donate for the Christmas Store or anyone that could make items to be sold at the store, it would be greatly appreciated too!

Capri Sun, Honest Kids, & Kool-Aid juice pouches— save the empty pouches from your juice pouches and bring them back to school this fall. You can also sign up at www.terracycle.net and they will send you prepaid UPS envelopes to send the pouches back in.
