

# PTO PAWPRINTS

## THINGS TO SAVE OVER THE SUMMER

\* Carnival- save unopened Happy Meal toys for carnival prizes. Can drop off when school starts thru Oct. 10

\* Box Top Labels

\* Campbells Soup Labels

\*\*\*\*\*  
Be sure and look @ web site for Pto dates and school dates for beginning of year

We had an awesome year of collecting Campbell's Soup Labels for Education. Everyone joined together and we deposited a total of 7728 points in labels and bonus certificates. Our original goal was 7000. With the deposit and other bonus incentives Mr. Hatchett was able to spend 9750 points for our students in PE merchandise for next year. He was able to order: 3 mesh ball nets, a rubber chicken (for relays), set of 8.5" playground balls, bowling set, speed stacks with DVD, and 10-sided fitness dice. Please continue to save and have family and friends save labels over the summer. Let's beat this year's total next year! If you need any information on what and how to collect you may visit [labelsforeducation.com](http://labelsforeducation.com) or contact Sherri Padgham at [sherrip\\_avon@yahoo.com](mailto:sherrip_avon@yahoo.com).

*Stone Ridge Wildcats Rock!!*

## THANK YOU

Thank you to everyone who participated in Buy For Less Receipt collections. We will begin again next year saving receipts because this program doesn't run through the summer.

**We purchased several die cuts for the teachers to use.**

Remember to read this summer for barefoot bookworm list to turn in when school starts in August. Check website in a few weeks for more info.

Our 2008-2009 pet project will be supporting our library. Mrs. Craig will be using these funds to buy AR books and tests and other needs for the library.

**LAST DAY OF  
SCHOOL IS  
MAY 22**

Have a great Summer.
