THE CHRISTMAS STORE IS COMING.....

The PTO will be running our annual Christmas Store Nov. 27-30. Your child will have the opportunity to shop for Christmas gifts especially chosen by them for family and friends. Some examples of the items we will be selling are OU/OSU license plates, mugs and key chains, various Christmas knick knacks, LOTS of jewelry and make up, bath and body items, kitchen dishes and utensils, stuffed animals and MUCH MUCH MORE!!!!

The items range in price from \$0.25 to \$15.00. The items will be wrapped and tagged by the Christmas store volunteers. We will send out a notice of the day your child's class will be attending the store. The students really love the Christmas Store and the PTO appreciates your continuous support of Stone Ridge. P.S. Don't forget about your cats and dogs. We have cute things for our four legged family members.

Cinnamon Rolls - We made close to \$2,000 that will go directly to Mrs. Craig to support our library. Thank you to our wonderful cafeteria staff who worked extra hours to make the rolls, along with many parent volunteers.

School Cookbook
Notes will be going home soon regarding our 1st Stone Ridge Cookbook. Pre-sale order forms will go out **November 26th**. There are 568 recipes that were contributed by Stone Ridge parents and children. The books cost \$12 and make great Christmas presents.

Teacher Wish Lists

Many parents consistently ask what they could do to help their child's teacher. This year we are asking teachers to create a Wish List for classroom supplies. Teachers will periodically update their lists with items that are needed for their classrooms. These needs go above and beyond what the district is able to provide. You may send items with your student or to the front office.

Please look on the PTO Website (www.stoneridgepto.org) to see what items your teachers have requested. These items would make wonderful Christmas gifts for your teachers.

OUR NEW PLAYGROUND NEEDS YOU!!!

The new fence on the west side of the school is complete for our fitness playground. Now we need helpers to build and weld the items to place inside. PTO will be purchasing the materials to make the equipment. If you or someone you know likes to build let us know. We will make arrangements to meet you at the school to look at pictures of the pieces that need to be made. We are asking that you make as much of the project at home as possible and then bring it to the school when complete.

For more information or questions please call Stephanie Lloyd @ 721-8126 or Robin Rose @ 615-0843.
