SEVERAL PARENTS ARE DROPPING OFF STUDENTS IN THE PARKING LOT TO WALK ACROSS THE DRIVE. THIS IS DANGEROUS AND NOT ALLOWED. PLEASE KEEP YOUR CHILD SAFE. Mrs. McNair Dale

PTO AT WORK: Christmas Store raised \$6,500 for our students use in the classroom.

PTO has been very busy this year and their work has benefited your student's classroom by funds flowing directly from the Auction baskets to the teachers.

Students have received directly from the PTO auction. Several students have received special lunches with their chosen person. Some parents who bid for front row seats for the choir concerts have enjoyed the convenience of coming on time and having a seat.

Then the two pictures in the newsletter show Callie Chrisman receiving her t-shirt to be Principal for the Day on December 18th, our

party day. Riley Rose is holding up her Avenue sign. The road in front of our school is now Riley Rose Road. These were auction items that students love. We are glad we can celebrate the benefits we have from our PTO.

Thank you

Fourth Grade is First Place at Academic Meet

This picture shows our hard working fourth graders in their first Academic Meet. We are proud of the trophy they presented to our school. It is displayed proudly in our trophy case. Thank you to Mrs. Farris and Mrs. Dowling in leading our students in this

competition. The students on the team are Jacob Henson, Derek Bixler, Cat Ecker, Qu-mail Sadruddin, Madelyn Sperle, and Dustin Hasley.
