

Help us get **Free Stuff** for our school!

Dear Parents:

Welcome back to school! The Labels for Education program is a great way to get FREE merchandise for our school and it's even better this year. With your help, Stone Ridge Elementary can make this year the best ever! **To meet our goals, we need to collect 10,000 points.**

Last year was a great year of collecting labels. Our goal was 7,000 points, which we smashed! Everyone joined together and we deposited a total of 9588 points. With the deposit and other bonus incentives Mr. Hatchett was able to spend 11493 points for our students in PE merchandise for this year. He was able to order: Softi Tuff Balls (6), Action Hockey Goal, Deluxe Rubber Fish (for relays), Poof Soccer balls (2), and Voit 8.5 Playground Balls (6).

Participating in the program is easy — simply save proofs of purchase from participating Campbell products. When clipping the UPC please leave the Labels For Education symbol located next to the UPC attached. The products eligible for redemption in this program are listed on the back. Please save for future reference. Please note, as of June 2, 2006 the front panel product labels will not be accepted for points by Campbell's.

Help multiply our efforts by asking your friends and family to collect proofs of purchase on behalf of our school. Please send all UPC to school with your child. There is a special container located near the front office to place them.

If you have any questions please contact our program coordinator, Sherri Padgham, at 405-283-0291. Don't forget to visit labelsforeducation.com for a complete list of participating products and more information about the program.

Thanks so much for your support. Together with Campbell's Labels for Education — we can build a better school for our children.

Sincerely,

Sherri Padgham
