

Dear Stone Ridge Families,

We are excited to announce a new fundraiser for our school, through Nestle Pure Life *Go Play!*. Nestle is committed to supporting child and family wellness, so they created *Go Play!*- an easy program that encourages healthy, active lifestyles.

*Go Play!* is a program where we can earn points for our school just by collecting labels from bottles of participating products (listed below). The more labels our school collects, the more points we earn towards rewards. With these points we can purchase items for our physical education program such as soccer balls, jerseys, and volleyball nets. There is a collection bin located just outside of the office where you can place labels in at your convenience.

Our school will be collecting labels until March 2, 2009, so the next time you're out shopping, choose any of the Nestle Pure Life Products listed below and you will be helping our school and the community!

If you would like to learn more about this great program, visit [www.goplaylabels.com](http://www.goplaylabels.com).

Thank You,  
Amanda Burton and Lora Meade
