

STONE RIDGE BOOK CLUB

The Stone Ridge Book Club (formerly the Birthday Book Club) is an opportunity for children to leave an important and lasting impression by expanding the library of Stone Ridge with what interests them. During the month of their birthday, graduation, or any other memorable event they will be recognized at Wildcat Wakeup and presented with a book that will now be available in the school library. Even better, they will have the opportunity to check that book out first and show it off. The book will also be distinguishable by a personalized book label; this will enable them to show friends and siblings their book for years to come. The Book Club is also a great chance for those who would like to honor the memory of a loved one.

As a Stone Ridge Book Club member, your child will receive:

1. A Personalized Book Label on the inside cover of their book
2. Recognition at Wildcat Wakeup for their birthday or achievement
3. Privilege of checking that book out first

Please help us choose a book your child would enjoy by filling in the information below.

Child's Name _____
